2010-11 SEASON OUTLOOK

Manhattan College women's basketball Head Coach John Olenowski had one of the most successful campaigns for a rookie head coach in program history in 2009-10. Olenowski's Lady Jaspers won 15 games and finished fourth in the Metro Atlantic Athletic Conference (MAAC) with a 10-8 conference record. However, Manhattan's season came to an abrupt end with a loss to Niagara in the quarterfinals of the MAAC Tournament.

With the core of that team returning, including four starters, as well as a quartet of talented freshmen, each of whom is capable of making an immediate contribution, Olenowski's expectations for the 2010-11 Lady Jaspers are understandably high. In fact, he believes that Manhattan's first MAAC title since 2003 is well within reach.

BACKCOURT

On paper, the Lady Jaspers' only loss from last season is a significant one: the graduation of First Team All-MAAC point guard **Michelle Pacheco**. Pacheco started all 30 games at point guard and had the most productive season of her Manhattan career in 2009-10, placing among the top five in the MAAC in four different statistical categories. In addition to leading the conference in assists (5.0 per game), Pacheco ranked second on the team in scoring (15.2 ppg) last season.

Taking her place at the point is senior captain **Abby Wentworth**, a three-year starter. One of the most versatile players on the squad, Wentworth is capable of playing the 1, 2 or 3 and is perhaps the team's best defender. She started every game last season and was on the floor for nearly 35 minutes per contest. In 2009-10, Wentworth finished third on the squad in rebounding (4.6 rpg) and fourth in scoring (9.4 ppg), while also averaging 2.3 steals per game.

"Abby has the potential to be one of the best guards in the MAAC," Olenowski said about his floor general. "She is doing a great job of handling the ball and distributing it properly. She is also a tenacious defender."

Joining Wentworth in the backcourt is junior **Alyssa Herrington**. Herrington saw her 2009-10 season cut short due to a knee injury, but she's back to 100 percent and should be ready to go for the season opener on Nov. 12. One of the deadliest three-point shooters in the MAAC, Herrington was averaging 11.1

points per game and led the conference in three-pointers at the time of her injury. Despite missing half the season, she still finished third on the team in scoring and second in three-pointers (37) last year.

Also expected to be a key contributor in the backcourt is freshman **Monica Roeder**. Roeder brings impressive credentials to Riverdale, having earned Second Team All-South Jersey honors while leading Cherokee High School to a conference championship in 2007-08. A versatile threat, she should immediately step into a starting role and was impressive on the team's preseason trip to Canada, scoring 20 points in two of the three games.

Sophomore **Ondya Morgan** saw limited time as a freshman, but should see her role increase as she becomes more

comfortable in the system. Freshmen **Jazmine Jarvis** and **Allison Skrec** round out Manhattan's talented guard corps. A native of Henderson, Nev., Jarvis accumulated more than 2,000 points, 700 assists and 500 steals during her career at Green Valley High School, and she was named First Team All-State as a senior. Skrec attended Roselle Catholic High School in Roselle, N.J., where she was a two-time Union County Player of the Year.

"We are very happy with our backcourt," Olenowski said. "We have a good group of defenders and outside shooters. We are also thrilled to have very good depth at this position."

FRONTCOURT

The strength of this year's team appears to be in the frontcourt, where a pair of returning starters—juniors **Lindsey Loutsenhizer** and **Nadia Peters** will once again play major roles after solid sophomore campaigns. A Second Team All-MAAC selection last season, Loutsenhizer was named to the Preseason All-MAAC First Team this year. She led the Lady Jaspers in both scoring (15.3 ppg) and rebounding (6.5 rpg) while averaging a MAAC-best 17.5 points in conference games in 2009-10. A versatile all-around scoring threat, Loutsenhizer ranked second in the MAAC in field goal percentage (.469) and third in free throw percentage (.815) last season. She also shot .394 from downtown and drained a team-best 43 three-pointers.

The team's other co-captain, Peters was one of three Lady Jaspers to start all 30 games in 2009-10. One of the top shot blockers in the MAAC, she placed second in the league in that category last season, averaging 1.6 per game. Peters also ranked second on the team in rebounding (5.2 rpg) and contributed 7.1 points per game while shooting .472 from the field during the 2009-10 campaign.

"Nadia and Lindsey give us one of the best frontcourts in the MAAC," Olenowski said about the duo. "Nadia is a great defender and rebounder, and she's improved her offensive game tremendously. Lindsey is a proven scorer and big-game performer. She is also a very good rebounder."

Sophomore **Toni-Ann Lawrence**, who can also double up as a guard, will likely be the other starting forward. Lawrence played in all 30 games and made six starts as a freshman, averaging 2.5 points and 2.9 rebounds per contest. She has made significant strides since last season and was one of the Lady Jaspers' top performers in all three games during the Canadian trip.

After a breakout performance in last season's MAAC Quarterfinals (when she scored 10 points in three minutes), sophomore Maggie Blair worked hard over the summer, culminating with an excellent Canadian trip. Blair is capable of playing any position on the floor and will likely be the Lady Jaspers' sixth man this season.

Another versatile player off the bench is junior **Schyanne Halfkenny**. Last season, Halfkenny saw her playing time increase as the season went on, capped by an eight-point, seven-rebound effort against Niagara in the MAAC Quarterfinals. She is also one of the squad's better defensive players. Sophomore **Karita Brown** saw limited playing time last year, but has worked hard to improve her game and should be called upon more frequently this season.

Providing a valuable veteran presence will be senior **Alicia Marculitis**. At 6-3, Marculitis is the tallest member of the squad, and she will be relied upon to contribute leadership to the younger players, as well as important minutes off the bench. One of the young players Marculitis will be asked to mentor is

freshman **Brandone Roberts**. A 6-3 center from Jessup, Md., Roberts is improving every day and has the potential to become an imposing presence in the low post.

"Our frontcourt will be greatly improved this season," Olenowski said. "We have a strong group of rebounders and defenders. We also feel that we have good versatility at these positions."

SCHEDULE

For the third straight year, the Lady Jaspers will open the season against St. Francis (NY). Manhattan, which has beaten the Terriers in each of its last two season openers, heads to Brooklyn on Nov. 12. The Lady Jaspers then make the short trip to St. John's, a team that reached the second round of last season's NCAA Tournament and is ranked 16th in the preseason USA Today ESPN Division I Top 25 Coaches' Poll. Manhattan's home opener will be against Albany on Friday night, Nov. 19.

The Lady Jaspers also take on local rivals Columbia (Nov. 23), Fordham (Dec. 18) and Army (Dec. 30) in non-conference action before opening MAAC play against Loyola on Jan. 2. Two days later, Manhattan hosts its annual "Kids Day Out" game against Siena. COACHING STAFF

JOHN OLENOWSKI

HEAD COACH | SECOND SEASON (15-15)/5TH SEASON OVERALL (85-43) | SAINT LEO '78

John Olenowski was named the seventh head coach in program history on April 15, 2009. A 19-year coaching veteran, he has enjoyed tremendous success as a head coach at both the collegiate and high school levels.

In his first season at the helm, Olenowski led the Lady Jaspers to a 15-15 record, including a 10-8 mark in the Metro Atlantic Athletic Conference (MAAC). His 15 wins were the second-most by a first-year head coach in program history, and he became just the second head coach in program history to notch a winning percentage of .500 or higher in his debut season at Manhattan (ranking behind Manhattan College Hall of Famer Kathy Solano, the program's all-time winningest coach, in each category). Under Olenowski's tutelage, Michelle Pacheco earned First Team All-MAAC honors and Lindsey Loutsenhizer was selected to the All-MAAC Second Team. In addition, he led the Lady Jaspers to a 65-62 victory over four-time defending MAAC champion Marist in the regular season finale, ending Manhattan's 14-game losing streak against the Red Foxes.

A 1978 graduate of Saint Leo College, Olenowski began his coaching career at Morris Catholic High School in Denville, N.J., in 1979. Over 14 seasons (1979-82, 1995-2006), he guided the Crusaders to a 330-39 (.894) record and three New Jersey State Interscholastic Athletic Association (NJSIAA) State Championships. During Olenowski's tenure, Morris Catholic also won 10 Colonial Hills Conference Championships, six Morris County Championships and seven NJSIAA Sectional Championships. Morris Catholic also made a pair of appearances in the New Jersey Tournament of Champions, reaching the semifinals in 2003.

He also served as Morris Catholic's athletic director from 2003-06 and was in charge of Major Gift Giving. Olenowski was inducted into the Morris Catholic High School Hall of Fame in 1987 and the NJSIAA Hall of Fame in 2005. In 2007, he was presented with the NJSIAA Outstanding Coaching Achievement Award.

In 1982, Olenowski left Morris Catholic to take over the women's basketball program at Pace University. Over three seasons at the helm, Olenowski led the Setters to a 70-28 (.714) overall record, and the team increased its win total each season.

After guiding Pace to a school record 17 wins during his first season, Olenowski's 1983-84 squad went 25-5 (.833) and won the Empire State Conference regular season and tournament titles. He further built upon that success, leading Pace to the best season in program history in 1984-85. That season, the Setters went 28-3 (.903), won the Empire State Conference regular season and tournament championships for the second straight season, and claimed the NCAA Division II East Regional title. Pace was ranked as high as No. 3 in the nation during the 1984-85 campaign.

While at Pace, Olenowski won a pair of Empire State Conference Coach of the Year honors (1983-84, 1984-85). He mentored eight 1,000-point scorers, including All-Americans Tracey Jackson and Jennifer DiMaggio, Pace's all-time leading scorer (2,125) and rebounder (1,254). In addition, his teams boasted a 100 percent graduation rate.

Olenowski returned to the collegiate ranks in 2007-08 as an assistant coach at MAAC rival Saint Peter's. The Peahens posted a 19-12 record that season, their first winning campaign in five years. Prior to coming to Manhattan, Olenowski was an assistant coach at Long Island University during the 2008-09 season.

Olenowski and his wife, Kathleen, have two daughters: Megan, a graduate of Ithaca College who is currently an assistant coach at Montclair State University, and Caitlin, a recent graduate of the Fashion Institute of Technology.

SONIA BURKE

ASSOCIATE HEAD COACH | EIGHTH SEASON | SPRING HILL '01

Sonia Burke enters her eighth season at Manhattan, and her second under Head Coach John Olenowski. Burke was promoted to Associate Head Coach in August 2010. She is responsible for NCAA compliance, scouting and tape breakdown of opponents, coordinating the team's managers and practice players, supervising the Lady Jaspers' efforts in the training room and recruiting. She also handles the on-court coaching of post players, with an emphasis on defense.

While working as an assistant at St. Francis (PA), Burke helped the Red Flash capture the 2002-03 Northeast Conference regular season and conference tournament titles, along with an automatic bid to the NCAA Tournament. Her responsibilities included coordinating junior college recruiting, video scouting, film exchange and video highlights. She also supervised game day promotions, basketball clinics and community service events.

Prior to her time at St. Francis, Burke was an assistant coach at McGill Toolen High School in Alabama in 2001-02, where she helped lead the team to a 14-2 record.

A native of Barbados, Burke was a captain on the Barbadian national team that captured the gold medal at the 15th Caribbean Basketball Championships in 2000. Burke played at Spring Hill College in Alabama and led the Badgers to two Gulf Coast Conference championships and two consecutive NAIA Tournament appearances. She graduated with a bachelor's degree in management and a minor in managerial accounting in 2001.

CHRISTINE CATALANOTTO

ASSISTANT COACH | THIRD SEASON | RIDER '05

CAITLIN FLOOD

ASSISTANT COACH | FIRST SEASON | MANHATTAN '08

Christine Catalanotto enters her third season as an assistant women's basketball coach at Manhattan College. Catalanotto came to Riverdale after serving as a graduate assistant coach at Wagner College. With the Lady Jaspers, she is responsible for monitoring the team's academics, tape exchange, and community service initiatives, including the annual basketball camp. She also assists with recruiting and scouting.

While a graduate assistant at Wagner from 2006-08, Catalanotto's duties included coordinating film exchange, monitoring student-athlete academic progress and scouting opponents. She was responsible for the development of the Seahawks' guards, while also implementing strategic offensive concepts.

A native of Flushing, N.Y., she began her collegiate playing career at the University of Maryland-Baltimore County before transferring to Rider University for her final two seasons. A two-time team captain for the Broncos, she started at point guard in 56 of 57 appearances over her two seasons at Rider. She led the team with 3.3 assists per game and averaged 6.2 points and 3.7 rebounds over her career. Prior to Rider, Catalanotto was a key member of the 2002-03 UMBC team that advanced to the Northeast Conference title game.

Catalanotto played her prep basketball at local powerhouse Christ the King, helping the squad to a pair of city championships for head coach Bob Mackey. Along the way, she collected numerous accolades, including New York Daily News and Newsday All-City honors, New York State Federation Class A All-Star and the Father John Savage Scholar Athlete Award.

Catalanotto earned her bachelor's degree in psychology from Rider in 2005, graduating Magna Cum Laude. She also holds a master's degree in business administration from Wagner.

Former Lady Jaspers star Caitlin Flood returns to the program as an assistant coach for the 2010-11 season. Flood, who ranks fifth on the Lady Jaspers' all-time scoring list, had been playing professionally in England for the past two years.

A four-year starter, Flood tallied 1,399 points and 600 rebounds during her Manhattan career, placing her in the Top 10 in each category. She ranks fifth all-time in scoring and 10th in rebounding. After earning a Third Team All-MAAC selection following the 2006-07 season, Flood was named First Team All-MAAC as a senior in 2007-08.

Before returning to Riverdale, the 2008 Manhattan graduate spent two seasons playing in the English Basketball League (EBL). In 2009-10, she helped the Nottingham Wildcats finish third in the EBL, leading the team in rebounding (8.2 rpg) and placing second in scoring (18.0 ppg). Flood began her professional career with the Manchester Mystics in 2008-09, and she was named Second Team All-EBL that season.

METRO ATLANTIC ATHLETIC CONFERENCE

With 10 institutions strongly bound by the sound principles of quality and integrity in academics and excellence in athletics, the Metro Atlantic Athletic Conference is in its 30th year of competition during the 2010-2011 academic year.

The MAAC was founded in 1980 by six charter members: the U.S. Military Academy, Fairfield University, Fordham University, Iona College, Manhattan College and Saint Peter's College. Competition followed one year later in the fall of 1981 with members competing in the sports of men's cross country and men's soccer. On January 2, 1982, Army traveled to Iona for the first MAAC men's basketball game and the MAAC story had begun.

Today, Conference members include: Canisius College, Fairfield University, Iona College, Loyola University Maryland, Manhattan College, Marist College, Niagara University, Rider University, Saint Peter's College, and Siena College. In addition, associate members include the University of Detroit Mercy, Jacksonville University and Virginia Military Institute in men's lacrosse. St. Francis (N.Y.) College, Villanova University and Wagner College are all associate members of the MAAC Women's Water Polo League. Drake University, Robert Morris University and Sacred Heart University compete in women's rowing, while the University at Albany, Boston University and the University of Hartford began competition in women's golf in the spring of 2010. The MAAC will support 24 sports and championships during the 2010-2011 academic year.

The MAAC Basketball Championships return to the Arena at Harbor Yard in Bridgeport, Conn. for 2011, with Springfield's MassMutual Center preparing to host the 2012-2014 championships. By having an excellent working relationship with various facilities, the MAAC has been able to attract a number of NCAA Championship events. Most recently, the MAAC, Canisius College and Niagara University successfully hosted the 2010 NCAA Division I Men's Basketball Championship First and Second Rounds at the HSBC Arena in Buffalo, New York. All three parties hosted the event in 2004 and 2007. The MAAC and Rider University co-hosted the 2009 NCAA Division I Women's Basketball Championship Regional at the Sovereign Bank Arena in Trenton, N.J., after recording the third highest attendance figure for the women's championship with the First and Second Rounds in 2006. The MAAC and Rider will work together to co-host the 2011 NCAA Division I Wrestling Championships at the Wells Fargo Center in Philadelphia, Pa.

MAAC ASSOCIATE SPORTS

In June of 1995, the MAAC continued to develop opportunities for student-athletes as the conference announced the formation of the MAAC Men's and Women's Lacrosse Leagues. The men's league began competition in the spring of 1996, while the women's league commenced in the spring of 1997. The men's league consists of four MAAC schools -- Canisius, Manhattan, Marist, and Siena -- and three associate members -- Detroit Mercy, Jacksonville and Virginia Military Institute. The women's league consists of MAAC institutions Canisius, Fairfield, Iona, Manhattan, Marist, Niagara and Siena.

In 2002, the MAAC added the MAAC Women's Water Polo League. The league is made up of three MAAC schools -- Iona, Marist and Siena -- as well as three associate members, St. Francis (N.Y.), Villanova and Wagner.

Sacred Heart started participating in MAAC Women's Rowing in the

spring of 2008. Drake University joined the league for the 2010 MAAC Championship, while Robert Morris will begin competition in the spring of 2011.

In the summer of 2009, the MAAC added three associate members -- Albany, Boston University and Hartford -- to women's golf, with the programs starting competition against MAAC members Fairfield, Niagara and Siena in 2009-2010.

ACADEMICS AND ATHLETICS

The MAAC prides itself on the accomplishments of its student-athletes in the classroom, as well as on the field. Mary Beth Riley, a 1991 graduate of Canisius, was the first recipient of the NCAA Woman of the Year Award. In the fall of 1998, Erin Whalen, a member of the Iona women's rowing team, was awarded one of the nation's 32 Rhodes Scholarships for academic achievement

and civic leadership. Jose Vargas, a Loyola student, was also awarded a Rhodes Scholarship in 1999.

First-class facilities are the rule with MAAC schools, as teams regularly play in top-notch arenas, such as Madison Square Garden, the IZOD Center, HSBC Arena, Times Union Center, the Arena at Harbor Yard and the Sun National Bank Center. The other MAAC championships boast their share of outstanding locales as well, such as the Reverend Harold Ridley, S.J., Athletic Complex at Loyola, where both the men's and women's soccer championships will be contested in the fall of 2010, and Waterfront Park in Trenton, home of the 2011 MAAC Baseball Championship. This year, the MAAC will take its volleyball championship to Orlando, Florida, where it will conduct its post-season event at the ESPN Wide World of Sports Complex. The MAAC Men's and Women's Golf Championships will be held at Disney's Magnolia Golf Course.

In the past several years, a number of the MAAC schools have also enjoyed success in NCAA Championships. MAAC schools have made a total of 75 NIT appearances and 45 NCAA appearances. In addition, Fairfield represented the league last season in the CollegeInsider.com Postseason Tournament while the Fairfield women participated in the Women's Basketball Invitational. The MAAC currently possesses 13 automatic bids to NCAA Championships in men's and women's basketball, baseball, softball, men's and women's soccer, volleyball, men's golf, men's and women's tennis, men's and women's lacrosse, and women's water polo. In 2007, the Marist women's basketball team advanced to the Sweet 16 before falling to the eventual National Champion, the University of Tennessee. Last fall, the No. 11 Iona men's cross country team finished tied for eighth place at the NCAA Championship race, extended the Gaels' streak to eight straight Top 10 national finishes. Canisius softball, Manhattan track, Manhattan and Marist baseball and Loyola soccer and lacrosse have also flourished on the national stage.

The MAAC has also been a leader in the forefront of technology, expanding the notoriety of the league into cyberspace. In 2007, the league reached an agreement with JumpTV, Inc. to sponsor the MAAC web page. Launched in November 1999, www.maacsports.com has been a great success, providing fans with up-to-date contest results, multimedia content and an online merchandise store.

The MAAC President for the 2010-2011 academic year is Rev. Jeffrey von Arx, S.J., the President of Fairfield University. The Vice-President is Dr. Eugene J. Cornacchia, Ph.D., the President of Saint Peter's College. Ed McLaughlin, Director of Athletics at Niagara University, will chair the Committee on Athletic Administration, and Karin Torchia, Associate Athletic Director/Senior Woman Administrator at Rider University will serve as Vice Chair.

MARIST TABBED AS LEAGUE FAVORITES FOR 2010-11 SEASON

EDISON, N.J. – Marist College, which won its fifth straight MAAC Championship and advanced to its sixth NCAA Tournament in seven years last season, is the league's choice to claim the 2010-11 conference title, according to the MAAC Preseason Coaches' Poll.

Marist received all ten first place votes for 100 points in the poll. Iona College finished as a unanimous second place selection with 90 points. Loyola University was chosen third with 70 points, while Fairfield University and Manhattan College tied for fourth with 64 points. Niagara University was picked sixth with 51 points, followed by Canisius College (44), Siena College (34), Saint Peter's College (20), and Rider University (13).

Marist will have a new look this season following the departure of three-time MAAC Player of the Year Rachele Fitz. Leading the way for the Red Foxes will be guards Erica Allenspach and Corielle Yarde. Allenspach, the MAAC Preseason Player of the Year, averaged 12.9 points per game a year ago and was second in the MAAC with a 2.1 assist-to-turnover ratio. Yarde poured in 13.7 points per game and grabbed 6.1 boards per contest. Also

returning in the backcourt is junior Kristine Best, who averaged 4.4 points and 2.4 assists last season. The frontcourt features four returning players, including starting sophomore forward Kate Oliver, senior center Maria Laterza, and junior forwards Brandy Gang and Emily Stallings. Oliver averaged almost five points and three rebounds per game in 2009-10.

Iona returns four players who started at least 19 games last season - senior point guard Suzi Fregosi, senior forward Anda Ivkovic, junior forward Kristina Ford, and sophomore guard Diana Hubbard. Fregosi led the league last year with a 2.3 assist-to-turnover ratio and averaged 4.8 assists per game, the most of all returning players. Ivkovic will be one of the Gaels' primary off-offensive weapons. She was averaging 8.8 points per game last season before a knee injury ended her junior year. In 2008-09, she averaged 13.2 points per contest. Ford, a former MAAC Rookie of the Year and the team's top returning scorer, is a versatile player who can score, rebound, and run the floor. Hubbard averaged 7.0 points per game during her successful freshman campaign that saw her voted to the MAAC All-Rookie Team. Iona's biggest need will be replacing the combined 15.5 rebounds per game from Anna McLean and Thazina Cook, who both graduated. 6-3 junior center Milica Paligoric, who averaged 2.7 rebounds per game in limited minutes, is a strong candidate to fill that role.

THE MISSION OF MANHATTAN COLLEGE

Manhattan College, overlooking Van Cortlandt Park in Riverdale, is an independent Catholic institution of higher learning which embraces qualified men and women of all faiths, races and ethnic backgrounds. Established in 1853, the College is founded upon the Lasallian tradition of excellence in teaching, respect for individual dignity, and commitment to social justice inspired by the innovator of modern pedagogy, John Baptist de La Salle.

The mission of Manhattan College is to provide a contemporary, person-centered educational experience characterized by high academic standards, reflection on faith, values and ethics, and life-long career preparation. This is achieved in two ways: by offering students programs which integrate a broad liberal education with concentration in specific disciplines in the arts and sciences or with professional preparation in business, education and engineering; and by nurturing a caring, pluralistic campus community. The learning experience at Manhattan College is enriched by cooperative programs with other institutions, by postgraduate professional programs and by capitalizing on its location on the edge of the cultural center and global marketplace that is New York City.

HISTORICAL NOTE

In May 1853, five Christian Brothers moved their small Canal Street school to what was then known as Manhattanville, a section of New York City at 131st Street and Broadway. The Brothers brought with them more than their furniture and their students. They were the bearers of a long educational tradition, going back to 17th century France and their founder, John Baptist De La Salle, designated by the Catholic Church as the Patron Saint of Teachers. He formed a community of religious Brothers who, unlike priests, would devote themselves as teachers to work for the wellbeing of the children of the artisans and the underprivileged. In the process he created a new type of school system that would transform teaching school into a profession and a vocation. The Brothers were urged to go beyond rote memory to "touch the hearts" of the students. Practical subjects were taught that would lead to a useful role in society; religion was taught to impart a commitment to Christian ethics.

Between 1853 and 1863, the school changed rapidly, adding college-level courses in 1859 and first using the name Manhattan College in 1861. It was chartered by the Board of Regents on April 2, 1863 and the first catalog stated its goals — to afford young people the means of acquiring the highest grade of education attained in the best American universities or colleges. While classical languages were thoroughly studied, prominence was given to higher mathematics and natural sciences, thus combining the advantages of a first-class College and Polytechnic Institute. Manhattan College was an unusual institution. Its sponsoring Board of Trustees combined both secular independent members and representatives of the Brothers of the Christian Schools. It also combined excellence in the traditional liberal arts and sciences and excellence in professional and technical education in a single collegiate institution. As the school grew, new quarters were needed.

MANHATTAN COLLEGE

The cornerstone of the "New Manhattan" was laid in 1922 on property bordered by the Hudson River and Van Cortlandt Park, its present location. The addition of new buildings and student residences has enlarged and enhanced the campus significantly. From this accessible site, the college is able to offer access to the cultural, educational, business and entertainment opportunities of New York City as well as a self-contained suburban campus environment.

Today Manhattan College identifies itself as a Catholic College in the Lasallian tradition. That tradition has continued to characterize the special educational experience offered by the College over its long history. Its constant focus has been the education of the disadvantaged. Manhattan has an enviable record in this regard, albeit engaged in the field of higher education. From its beginning, the College has paid particular attention to educating first-generation college students, and was an early proponent of access to disadvantaged and minority students, establishing special scholarship funds as early as 1938. That still holds true today for the impressive percentage of the student body that come from ethnic minorities. So many of our graduates who later on achieved great things in their careers remember that they might have had to leave school were it not for Manhattan's financial assistance. The College continues to realize the objectives stated in its first catalog by maintaining a full range of programs in the liberal arts and sciences joined with professional programs in engineering, business, science and education. The quality of the undergraduate programs has been demonstrated by its record as one of the nation's leading undergraduate sources of doctorates in the arts, sciences, engineering and education, and it is recognized by the establishment of chapters of such prestigious honor societies as Phi Beta Kappa, Sigma Xi, and Tau Beta Pi. Manhattan participates in the Consortium of Liberal Arts Colleges, an organization of the nation's leading research colleges, and in the New York Cluster of seven colleges and universities supported by the Pew Charitable Trusts for undergraduate science education (Barnard, Colgate, Cornell, Hamilton, Manhattan, St. Lawrence and Union).

Over the years, an evolution has taken place in faculty representation. The predominantly Christian Brothers faculty has been replaced by predominantly lay teachers, and includes both men and women. The College became coeducational and accepted its first women undergraduate students in 1973. Prior to that date, Manhattan had established a Cooperative Program with the neighboring College of Mount Saint Vincent, which permitted cross-registration and the merging of academic departments. Currently, women number 46% of the full-time undergraduate student body.

With the opening of Horan Hall (formerly East Hill) in 1990, the College is able to maintain an even balance between residential and commuting students, and foresees an even greater percentage of residential students over the next years. Currently, the College has a student body of approximately 3,000; 2,600 undergraduates and 400 graduate students. The student-faculty ratio is thirteen to one.

GOING TO SCHOOL

IN NEW YORK CITY

Often referred to as "the capital of the world", this is New York City, home to more than eight million people which includes people from more than 180 countries. Spread out over 309 square miles, the city is comprised of five boroughs; Manhattan, Staten Island, Queens, Brooklyn, and the Bronx.

The largest city in the United States is the center for world trade and finance and is an international hub for entertainment, advertising, publishing, fashion as well as education.

It is home to more Fortune 500 companies than any other place in the United States as well as Wall Street. New York City welcomes a visit from anyone and always offers an exciting experience. You'll have easy access by subway, bus, or taxi to all of the city's resources, and you'll make use of this one-of-a-kind environment. People are attracted to the city for its culture, energy, and cosmopolitanism. It is a vibrant, fast-paced place to work, study and play.

One who is interested in sight seeing can stroll through more than 800 acres of Central Park, or take in a larger view of the city from atop the Empire State Building. Or ride the subway over and take in the neon display of lights in Times Square. Come winter time, you can stop over at Rockefeller Center for some ice skating and a visit to the enormous holiday tree. Maybe a visit to the United Nations, home to the international community, might be in order.

New York City is also an area where many television, movies and music projects are produced. Walk around and you might find bump into some of today's popular celebrities.

Grab the ferry over to Liberty Island where the Statue of Liberty still stands and where many immigrants were first welcomed to America from Europe during the late 19th and 20th century. Later on in the day you can catch a comedy act or a musical performance at the many clubs throughout the city. And don't forget to check out Broadway where there are 38 theatres and more than 150 off-Broadway theatres that offer an abundance of performances that you'll enjoy.

New York City is the place to be for any sports fan. There are the Magic and the New York Red Bulls to quench the thirst of a soccer fan. The Jets and Giants can satisfy any football fan's appetite. The New York Knicks and Rangers both play at Madison Square Garden. A trip to Queens will get you in to check out the Mets. Here in the Bronx you will quickly find the headquarters of the New York Yankees, a Major League Baseball team with the most World Series Championships in baseball.

Count on it, though – that touristy feeling will gradually drop away and you'll soon come to think of New York City as home turf. Your options are inexhaustible.

DR. BRENNAN O'DONNELL

PRESIDENT

Dr. Brennan O'Donnell is the 19th president of Manhattan College, having assumed the responsibilities of the position July 1, 2009.

Dr. O'Donnell comes to Manhattan from Fordham College at Rose Hill, Fordham University's oldest and largest school. As dean of Fordham College, he was the chief academic officer of a College of Arts and Sciences enrolling about 3,200 students under a faculty of more than 200.

Before coming to New York, Dr. O'Donnell spent 17 years at Loyola College in Maryland (now Loyola University Maryland), where he served as a professor of English and, from 1999-2004, as director of the university-wide Honors Program. An active scholar, his teaching and research interests focus mainly upon poetry, especially of the British Romantic period, and on religion and literature, particularly contemporary American Catholic writers. He has authored two books on the poetry of William Wordsworth and co-edited *The Work of Andre Dubus*, a collection of essays published as a double issue of *Religion and the Arts*. In addition, Dr. O'Donnell has published articles, essays and reviews in some of the leading journals in his field. At Manhattan, he will continue to hold a faculty appointment, as he had at Fordham and Loyola, as professor of English.

As the first president of the College not to be a member of the Brothers of the Christian Schools, Dr. O'Donnell is treading new ground at Manhattan College. He has experience in such transitions, however, as he was also the first layperson to serve as dean of Fordham College at Rose Hill. His publications and

lectures demonstrate a keen engagement in issues of faith and education, specifically Catholic higher education. From 1994-2000, he served as editor of the national magazine *Conversations on Jesuit Higher Education*, and he was a member of the National Seminar on Jesuit Higher Education from 1993-2000. In addition, he has served as a board member for the Lilly Fellows Program and for Collegium, a consortium of Catholic universities that strives to strengthen faculty understanding of and participation in the mission of Catholic higher education.

A native of Pennsylvania's Wyoming Valley, Dr. O'Donnell earned his B.A. with highest distinction and Honors in English at The Pennsylvania State University in 1981, where he was inducted into Phi Beta Kappa. ROBERT J. BYRNES '68

DIRECTOR OF ATHLETICS

A 1968 graduate of Manhattan College, Byrnes enters his 23rd year as director of athletics.

Since his arrival back to Riverdale in May of 1988, Byrnes has presided over a renaissance period in Manhattan College athletics. During his tenure, the men's and women's basketball programs have earned eight NCAA Tournament bids (four women, four men). Additionally, the Jaspers have appeared in five postseason and preseason National Invitational Tournaments (NIT). Women's soccer and men's and women's lacrosse began competition at the Division I level under Byrnes, and 14 different teams have won conference championships—men's and women's cross country, men's and women's indoor track, men's and women's outdoor track, men's and women's basketball, men's and women's lacrosse, volleyball, men's tennis, softball and baseball. In addition, to date, 26 student-athletes have received All-America honors for both athletic and academic achievements.

Before returning to Manhattan, Byrnes spent 13 years with the Morrison-Knudsen Company, one of the largest engineering and construction firms in the nation.

A native of Garrison, New York, Byrnes earned his undergraduate degree in physical education with a minor in biology. He also holds an M.B.A. from City University in Seattle, Washington.

As an undergraduate, Byrnes was a member of the Jaspers' club football team. Byrnes served as team captain and played both defensive tackle and

offensive end. He spent one season as an assistant coach and helped guide Manhattan to a 6-2 overall record in 1969.

Upon graduation, Byrnes began a teaching and coaching career at Queen of Peace High School in North Arlington, New Jersey. He also served as the school's director of athletics from 1970-73. Under his leadership, Queen of Peace registered state tournament appearances in baseball and basketball, while also capturing the Parochial "B" State Championship in football (1972).

In addition to his responsibilities at Manhattan, Byrnes served two stints (1997-99, 2004-06) as president of the Metropolitan Intercollegiate Basketball Association, at one time the sponsoring body of the NIT. He also served on the NCAA Championship Committee in 1999-2000. He is currently the chair of the Metro Atlantic Athletic Conference (MAAC) Men's Basketball Committee and the Committee on Athletic Administration, as well as a member of the ECAC Officials Negotiating Committee. In recognition of his years of outstanding contributions to Jasper athletics, Byrnes was inducted into the Manhattan College Athletic Hall of Fame in 2004.

Byrnes resides in Croton-on-Hudson, New York, along with his wife, Rosemary. He is the father of five children: Bob, Carolyn (Manhattan '97), Brian (Manhattan '99), Darren and Brigid.

SPORTS MEDICINE

The John "Doc" Johnson Athletic Training Center

Named in appreciation for
Mr. Johnson's 56 years
of unselfish and caring service
to thousands of Manhattan College
student-athletes,
coaches and Christian Brothers
Dedicated September 27, 2003

Sports medicine is an integral part of every collegiate athletics program. Manhattan College employs three certified athletic trainers who work tirelessly to assist student-athletes. While Manhattan's athletic trainers are essential in the treatment of injuries, even greater value comes from their ability to prevent injuries and ensure that Jasper student-athletes are competing in a safe and healthy environment. In addition to preventing and treating injuries, athletic trainers provide injury rehabilitation, nutritional supervision, strength and conditioning, drug and alcohol education, and general personal health advisement.

Manhattan's sports medicine staff is aided by a wide range of equipment for the prevention of injuries and the rehabilitation and conditioning of student-athletes.

The sports medicine staff is supported by a network of highly qualified medical and counseling professionals practicing in the New York Metropolitan area.

The Manhattan College Sports Medicine Department features four taping stations, four treatment tables, three combo/ultrasound stim units, two stationary bikes, two whirlpools, one Jobst Extremity Pump, one upper cycle UBE, one hydrocollator unit, one ice machine, one weighted pulley station, one rebounder, one variable percussor, one cold channel laser, and various sized medicine balls.

& THE JOHN "DOC" JOHNSON ATHLETIC TRAINING CENTER

The John "Doc" Johnson Athletic Training Center was dedicated after the 2002-03 academic year to one of the most recognizable personalities in the history of the College, upon his retirement after over 56 years of dedicated service to Manhattan College.

A long-time trainer of the New York Giants of the National Football League in addition to his duties in Riverdale, Johnson was conferred with the Diploma of Benefactor by the Brothers of the Christian Schools in 1983 and was elected to the Manhattan College Hall of Fame in 1982. In 1990, "Doc" was given the Distinguished Service Award by the Manhattan College physical education department. In 1997, he was given a Lifetime Achievement Award by the Metro Atlantic Athletic Conference, and in 1998, the American College of Sports Medicine gave him a similar award. The National Invitational Tournament/Metropolitan Basketball Writers Association honored him in 2000 with its Distinguished Service Award.

GO JASPERS !!!

On Sunday, Sept. 12, the Manhattan College women's basketball team and coaching staff volunteered at the 2010 Komen NYC Race for the Cure 5K run in Central Park. The Lady Jaspers manned the first water station at the 5K run/walk, which drew 25,000 participants, including over 1,600 breast cancer survivors to Central Park West. This marked the seventh straight year in which Manhattan participated in the event, which is the largest annual fundraiser for the Greater New York City Affiliate of Susan G. Komen for the Cure.

RACE FOR THE CURE

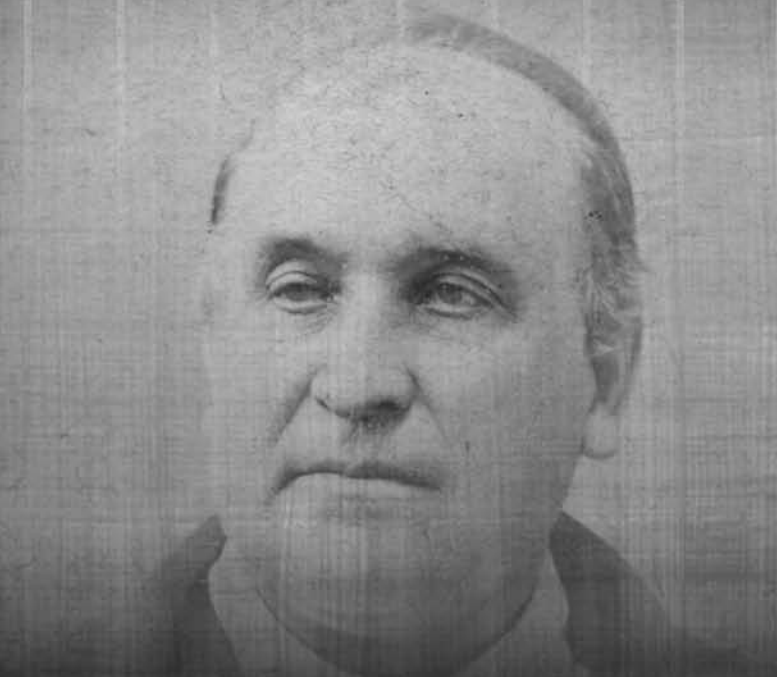

LADY JASPERS IN CANADA

IN AUGUST, THE MANHATTAN WOMEN'S BASKETBALL TEAM WENT ON A SEVEN-DAY TOUR OF CANADA. THE LADY JASPERS PLAYED THREE GAMES AGAINST LOCAL UNIVERSITIES WHILE VISITING MONTREAL AND OTTAWA FROM AUG. 22-28. MANHATTAN FINISHED 3-0 ON THE TRIP, NOTCHING A 74-68 VICTORY OVER THE UNIVERSITY OF QUEBEC AT MONTREAL (UQAM), A COME-FROM-BEHIND 53-52 WIN OVER THE UNIVERSITY OF OTTAWA, AND A 76-65 TRIUMPH AGAINST CARLETON UNIVERSITY. EACH DAY, A DIFFERENT TEAM MEMBER CONTRIBUTED AN ENTRY TO THE "NORTH OF THE BORDER BLOG," WHICH IS STILL AVAILABLE TO VIEW ON THE WOMEN'S BASKETBALL HOMEPAGE AT GOJASPERS.COM.

WHAT IS A JASPER?

The unique nickname of Manhattan College's athletic teams, the Jaspers, comes from one of the College's most memorable figures, Brother Jasper of Mary, F.S.C., who served at the College in the late 19th century.

One of the greatest achievements of Brother Jasper was that he brought the then little-known sport of baseball to Manhattan College and became the team's first coach. Since Brother was also the Prefect of Discipline, he supervised the student fans at Manhattan College baseball games while also directing the team itself.

During one particularly warm and humid day when Manhattan College was playing a semi-pro baseball team called the Metropolitans, Brother Jasper noticed the Manhattan students were becoming restless and edgy as Manhattan came to bat in the seventh inning of a close game. To relieve the tension, Brother Jasper called time-out and told the students to stand up and stretch for a few minutes until the game resumed.

Since the College annually played the New York Giants in the late 1880's and into the 1890's at the old Polo Grounds, the Manhattan College practice of the "seventh inning stretch" spread into the major leagues, where it has now become a time-honored custom practiced by millions of fans annually.
