2012 SEASON OUTLOOK

The defending Metro Atlantic Athletic Conference champion Manhattan Jaspers have their sights locked on one thing in 2012: the program's third conference title. The Jaspers will vie for the MAAC crown with a roster that has helped establish Manhattan as one of the premier programs in the Northeast over the last decade.

Manhattan is coming off its sixth consecutive 30+ win season with the Jaspers posting a program record 20-2 (.909) MAAC mark, which tied for the second highest win percentage in the league dating back to 1989. Most notably, the Jaspers are coming off their third MAAC Regular-Season Championship in the last four years.

In 2012, the Jaspers will rally behind new leadership with first year head coach **Jim Duffy** at the helm. Duffy, an established collegiate coach who has enjoyed a plethora of success during his career, comes to Riverdale after seven seasons as an assistant in the Big East at his alma mater Seton Hall. In his final season in South Orange, N.J., Duffy helped lead the Pirates to the 2011 Big East Championship and a berth in the NCAA Tournament.

Coming from success Duffy's standards remain high as he takes on this new chapter of his coaching career. "The goals this year are very simple, we want to win another MAAC Championship and advance through an NCAA Tournament Regional," stated the focused first year head coach.

Duffy inherits a roster filled with marquee talent in all areas of the roster with players who know what it takes to make a run for the hardware. Reigning MAAC Pitcher of the Year **John Soldinger** is back for his junior campaign as he joins forces again with senior **Mike Giordano**, the 2011 MAAC Tournament Most Valuable Player. The pitching duo is arguable the best one-two combo in the conference. Soldinger and Giordano combined for 18 of the Jaspers 34 victories and 144 strikeouts last season.

Mike Giordano

"I really like this team and I feel very fortunate of the situation I was able to step into," explained Duffy. "Some of the players we have will make coaching easier. Their expectations are high and they know what we need to do to win."

Despite graduating the most prolific offensive class in program history in Chad Salem, Mark Onorati, Mike McCann and Austin Sheffield, Manhattan's strength in 2012 will be up the middle of the field with Preseason All-MAAC catcher **Ramon Ortega** and shortstop **Nick Camastro**. Ortega was the Jaspers top offensive producer in MAAC contests last season with a .371 batting average in 22 starts, while Camastro was a mainstay in the line up batting over .300 in 53 starts.

Manhattan will rely on co-captains Camastro, Ortega, Soldinger, along with junior infielder **Kyle Murphy** and senior **Matt Troisi** to provide the veteran leadership this season. This crop of talent was an integral part in producing 65 wins and a dominant 26-2 (.929) home record at Van Cortlandt Park the last two years.

"These five guys were almost unanimously selected by their teammates, so we are expecting them to set the standard for our club through their hard work and dedication. Our captains will lead us both on and off the field."

In addition to the 23 letterwinners returning from last year's championship roster, Manhattan welcomes a new blend of skill players with its highly touted seven member freshman class.

INFIELD

The Jaspers return one of the top middle infield tandems in the MAAC with Camastro and sophomore second baseman **Yoandry Galan**. Sophomore **Chris Kalousdian** offers Manhattan a ton of flexibility with his ability to play any position on the field, while Murphy and Troisi, along with freshmen **Vin Teixeira** and **Joe McClennan** are expected to add power to the line up at the corners.

Camastro will return to his starting shortstop role where he earned Second Team All-MAAC honors last season. The speedy 6'0" 180-pound product of Lagrangeville, N.Y. possesses good fundamentals and sets the tone with his work ethic. He hit .304 with a .417 on-base percentage and drove in 23 runs in 2012. An efficient player on both sides of the ball, Camastro held a season-high 26-game reached base streak, he led the MAAC with 15 sacrifice bunts and he also generated 32 runs. The defensively sound infielder committed only three errors in 22 conference starts. Camastro was a clutch performer who turned up his game in the postseason hitting .625 with two RBI in NCAA Tournament games against Florida and Jacksonville.

Galan established himself as one of the premier defensive infielders in the MAAC last season, starting 50 of 52 appearances for the Jaspers. The silky smooth second baseman made only four errors and posted a team-best .982 fielding percentage. The 6'0" crafty defender from Miami ranked second in the league behind Camastro with 14 sacrifice bunts, going along with 11 RBI.

The Jaspers will enjoy the versatility that Kalousdian brings to the diamond. A superb defender in all positions on the field, Kalousdian put his offensive ability on display in a limited 23 appearances last season when he hit .318 and posted a .409 slugging percentage. Kalousdian has

Yoandry Galan

good speed and instincts on the base path.

Murphy is a superb athlete who can help Manhattan at first or third, but more importantly his solid bat will be needed to produce in the line up. The 6'3" 215-pound product of Waterbury, Conn. has started 81 of 91 appearances and knocked in 39 runs with six homers during his first two seasons in Riverdale. In MAAC contests last season, Murphy hit .326 and posted a .465 slugging percentage and .418 on-base mark. His nine stolen bases were the second highest from a Jasper.

Troisi offers a big lefty bat in the line up and he can also contribute on the mound. The 6'5" 245-pounder from Brooklyn has experience at first base, as well as serving as the Jaspers designated hitter. Troisi made 15 appearances in the field last season posting a .389 on-base percentage. As a freshman, he came out of the bullpen in 11 of the 13 games played logging 23 innings on the hill.

Teixeira and McClennan enjoyed decorated high school careers and are expected to contribute immediately. Teixeira, a 6'4" 220-pound power hitter from Hamden Hall High School in Connecticut, was a four year starter for head coach Joe Fontana. He graduated as the program's home run and RBI leader. Teixeira earned All New Haven County honors as a senior batting .450 with seven home runs and 30 RBI.

McClennan started all four years at Cornwall High School for head coach Tom Fanning. He helped guide the Dragons to three New York State Section IX championships. McClennan earned First Team All New York State honors as a senior playing shortstop and hitting .430 with over 30 RBI and 20 stolen bases. He also garnered First Team All New York State as a junior playing third base with a .462 batting average with 25 RBI and 23 stolen bases.

Juniors **Brian Simmons** and **Julian De La Rosa** add depth to the Manhattan infield. Simmons has come off the bench in 17 games over his first two seasons with the program and gives the Jaspers a speedy option on the base path. The native of Cortlandt Manor, N.Y., was named All-Section I League II North at Lakeland High School.

Anthony Vega

De La Rosa is a multi-purpose infielder who has battled through injuries over his collegiate career. In nine games off the bench last season, De La Rosa posted a .375 batting average, .500 slugging percentage and .444 on-base mark. De La Rosa played three years at Bishop Ford High School in Brooklyn before spending his final season at the Lawrenceville School where he helped the team to the New Jersey State Interscholastic Athletic Association (NJISAA) Division A State Championship and was named to the NJISAA Second Team All-Prep.

OUTFIELD

Manhattan's outfield features explosive speed and is expected to be one of the top defensive units in the MAAC. Jasper juniors **Anthony Vega** and **Joe Rock** will be complemented by the addition of freshman **Aidan O'Leary**. Sophomore **Andrew Gorecki** and freshman **Nick Girardi** offer the Jaspers left handed options off the bench.

Vega has emerged as one of the top defensive outfielders in the conference. With his fine tuned offensive skills Vega will serve as the Jaspers everyday center fielder. The 6'1" 190-pound gifted athlete from Long Island is arguably the fastest player in the MAAC. He is a multi-sport athlete at Manhattan who was a key sprinter on the Jaspers two-time reigning MAAC champion indoor track & field team. Last season, Vega started 44 of 51 appearances registering 27 runs, 21 RBI and nine stolen bases. He saved his best baseball for the postseason batting .500 during the Jaspers 2011 MAAC Tournament Championship run, scoring three times with three RBI and a home run over three starts.

Rock also brings above average speed and a strong arm to the outfield. He is expected to be the Jaspers right fielder opening day. The Carmel, N.Y. native started 12 games in 46 appearances during his first two seasons at Manhattan. In limited action, he has produced 10 RBI along with a .342 on-base percentage. Rock enjoyed a successful high school career at Kennedy Catholic where he helped the program to a 49-5 record in his final two years

earning the New York State Class B Championship in 2008.

O'Leary gives Manhattan another dynamic athletic talent in the outfield. He comes to Manhattan from Portsmouth High School in New Hampshire where he was a two-time First Team All-State honoree for head coach Tim Hopley. During his career, he helped Portsmouth win three straight New Hampshire Division II championships and contributed to setting the national high school baseball consecutive wins record as the Clippers posted 83 straight from 2007-11. O'Leary hit over .400 as a senior and was a standout wide receiver on the football team earning All-State honors after leading New Hampshire in receiving yards with over 1,000.

Gorecki offers Manhattan a superb lefty bat off the bench and provides depth in the outfield. The 6'1" 200-pound power hitter appeared in 14 games last season and recorded a .231 batting average along with a .375 on-base percentage. He came to Manhattan after lettering four years at St. Anthony's High School where he was a three-time team MVP and hit .343 with a .565 on-base percentage as a senior.

Girardi also gives the Jaspers depth in the outfield, and he will be a key lefty out of the bullpen. He earned All-Nassau County honors as a senior batting .405 with a .470 on-base percentage at St. Dominic's High School playing for head coach Richard Garrett.

CATCHERS

Manhattan will rely on Ortega to handle the bulk of the catching responsibility as he is coming off a career season when he earned Second Team All-MAAC honors. However, the Jaspers possess good depth at the position with sophomore **Mikey Miranda**, junior **Brendan Slattery** and freshman **Connor Bacalles**.

Ortega ranks among the top catchers in the Metro Atlantic Athletic Conference with his excellent defensive skills, a strong arm and one of the top bats in the league. The 5'10" 210-pound native of Miami was one of the Jaspers top performances in the 2011 postseason as he was named to the MAAC All-Tournament Team after driving in three runs and recording two doubles in Manhattan's championship run. He continued his hot play in the NCAA Tournament against Florida and Jacksonville leading the team with a .714 batting average, .857 slugging percentage and .750 on-base percentage. In 2011, He recorded 53 hits with 25 RBI and 11 doubles starting 46 of 50 appearances.

Miranda, a product of nationally-ranked Florida Christian High School in Miami, started 21 of 28 appearances last season. He gives Manhattan a solid defensive option behind the plate as he threw out seven base runners attempting to steal. Miranda was an All-Dade County selection in his final two years at Florida Christian.

Slattery is a 6'2" 205-pound native of Danbury, Conn. who hit .231 with three doubles in 22 appearances in 2011. He is a quality catcher who has power at the plate and adds experience to the line up.

The Jaspers welcome Bacalles who is a utility player out of New City, N.Y. He played all four years at Clarkstown South High School and was named All-Section I Honorable mention as a senior. Bacalles graduated as the Clarkstown South program career home runs leader.

PITCHERS

The Jaspers pitching staff is deep and features some of the top talents in the MAAC in Soldinger and Giordano. The third weekend starter position is up for grabs, as well as the midweek starts that can be filled by sophomores **Kevin Bonanni**, **Jared Hirschberg** or **Scott McClennan**. **Jacob Marchus** is expected to return as a late inning reliever, alongside senior sidewinder **Taylor Sewitt**. Senior **Dan Feinberg** is an experienced right-handed option in relief, while hard-throwing freshmen **Joe Mortillaro** and **Sean Abbate** can be serviceable either as starters or out of the bullpen.

Soldinger is one of the most reliable options on the staff who made the move last season from being one of the top closers in the nation to a premier starting pitcher in the Northeast. The 6'3" 230-pound right-hander from Bay Shore, N.Y. was named the 2010 MAAC Relief Pitcher of the Year after posting seven saves with 48 strikeouts as a freshman. Last season, he garnered First Team All-MAAC honors and was named to the Northeast Region First Team by the American Baseball Coaches Association after leading the conference with 10 victories and he had six complete games. Soldinger has developed a reputation of stepping up in big games for the Jaspers as he has won his MAAC Tournament game one starts the last two years, including a six strikeout complete game victory over Canisius in the Jaspers 2011 championship run.

Giordano has been a superb performer in his first three seasons in Riverdale logging 20 wins which has him nationally ranked in NCAA Division I among the active career wins leaders. Giordano, a 5'11" hard-throwing right-hander from Bedford, N.Y., put his big game abilities on display in the MAAC title contest last season delivering one of the top performances ever by a Manhattan pitcher. Giordano was named 2011 MAAC Tournament MVP after striking out 13 batters, yielding only one walk, three hits and he did not allow an earned run in a 5-1 victory over Siena to clinch the championship. Last season, Giordano ranked second in the MAAC holding opponents to a .226 batting average, he was third with 78 strikeouts and he posted eight wins in 13 starts. In MAAC games he registered a perfect 5-0 record and logged a conference best 0.92 ERA during the regular-season.

Bonanni is hard-nosed right-hander with a year of experience under his belt. The 6'2" 195 product of Plainview, N.Y. is a pure competitor who throws with good velocity. Bonanni started four of 10 appearances last season and posted a 2-1 record with a 3.65 ERA. He struck out 17 batters in 24.2 innings and allowed just a .261 batting average against.

Mikey Miranda

2011 NCAA Regional Tournament

Hirschberg is another second year player who can have a major impact in the starting rotation. He proved his ability in 14 appearances, including five starts last season by posting three wins and striking out 25 batters in 35 innings of action. Hirschberg, a 6'2" 225-pound freshman from Katonah, N.Y., was a First Team All-New York State selection at John Jay Cross River High School.

The Jaspers will also look to McClennan to pitch meaningful innings and to build on his solid rookie campaign. He made 12 appearances with three starts in 2011 registering a 3.49 ERA with two wins and one save. McClennan is a right-hander from Highland Mills, N.Y., who graduated from Cornwall High School with a Section IX record with 27 victories.

Marchus and Sewitt are expected to be key contributors in late inning relief. Marchus led the Jaspers finishing 11 games last season and he ranked fifth in the conference with four saves. The hard-throwing right-hander from Miami is a true competitor on the mound. Sewitt is a 6'3" 195-pound right-handed, side arm specialist who has good command and the ability to keep hitters off balance. He appeared in 13 games out of the bullpen last season, recording 16 strikeouts in 18 1/3 innings. Sewitt peaked at the NCAA Tournament pitching five lockdown innings against Florida, yielding one run and striking out three Gators.

Feinberg came out of the bullpen in 12 games last season as he maintained a 3.38 ERA with 14 strikeouts in 16 innings. He also limited opponents to a .196 batting average and held a 2.25 ERA in MAAC appearances. The right-hander from Goshen, N.Y. locates the ball well and can provide veteran leadership to the staff.

Mortillaro and Abbate are highly touted newcomers who can have an impact immediately. Mortillaro is a local product from Queens, N.Y., whose fastball consistently hits the low 90s. He lettered at Christ the King High School earning Catholic High School Athletic Association First Team honors playing for head coach Billy Oettinger

and assistant coach Greg Modica. Mortillaro posted a 2.76 ERA with 68 strikeouts in 42 innings as a senior, which included a no-hitter in a one run victory over Holy Cross.

Abbate comes to Manhattan from Division Avenue High School in Long Island where he earned Second Team All State honors as a senior. He registered a 10-1 record and 1.71 ERA to help Division Avenue to the Class A Long Island Championship.

Matt Jordan and **Michael Martin** are also expected to have an impact in 2012 as they bolster the staff with left-handed options. Both players had abbreviated 2011 seasons that were cut short due to injuries. Jordan, a 6'3" 220-pound senior, has experienced success as both a starter and reliever during his career at Manhattan. He pitched in four games maintaining a 3.38 ERA and .143 batting average against last season. Martin is a crafty pitcher from Massapequa, N.Y., who had a successful high school career at Chaminade.

Freshman **Michael Scarinci** brings a quality right-handed arm to the roster and is expected to be in the mix. He comes to Manhattan after a decorated career at Pearl River High School where he earned New York State Section I Pitcher of the Year honors as a senior registering a 6-0 record with a 1.20 ERA.

SCHEDULE

Manhattan's 2012 schedule features out-of-conference matchups with powerhouse teams from the Big East, ACC, Mountain West, Sun Belt, and Big South, in addition to the always challenging MAAC slate.

The pursuit of back-to-back conference titles will begin in Boca Raton, Fla. as Sun Belt contender Florida Atlantic hosts the Jaspers (Feb. 24-26). It marks the start of 16 straight road games to open up the season.

Manhattan will then travel to College Park, Md., to meet with perennial ACC power Maryland (March 2-4) before a weekday matinee with Seton Hall in South Orange, N.J. (March 7). From there,

the Jaspers travel back south to play the High Point Panthers of the Big South Conference (March 9-11) in North Carolina before concluding their long road stretch in Morgantown, W. Va. with Big East power West Virginia (March 16-18).

The home slate begins on March 21 when the Jaspers play Hofstra at Van Cortlandt Park. It is the second straight year Manhattan opens at home with the Pride and will be the last game before entering conference play at Marist (March 24-25).

The Jaspers will then travel to Teaneck, N.J., to face Fairleigh Dickinson (March 27) before a returning the game at Hofstra (March 28). Manhattan welcomes MAAC rival Iona (March 31-April 1) to Riverdale, and then visits West Point, N.Y., to square off with Army (April 4) in a mid-week game. The Jaspers return to Van Cortlandt Park to square off with Niagara (April 6-7), Sacred Heart (April 10) and the annual meeting with cross-Bronx rival Fordham on April 11.

Manhattan travels to two 2011 MAAC Tournament qualifiers when they visit Rider (April 14-15) along with Canisius (April 21-22) as they play two series sandwiched around a home doubleheader with Columbia (April 18).

The month of April concludes with trips to Albany (April 25), and a four game series in Fort Worth, Texas against TCU (April 27-29). Manhattan visits Fordham at Houlihan Park on May 1. The final road trip of the regular season is against MAAC opponent Fairfield (May 5-6) prior to a six game home series to conclude the season.

Van Cortlandt Park will host Saint Peter's (May 12-13) and conference tournament runner-up Siena (May 17-18) to finish out the regular-season.

The 2012 MAAC Baseball Championships will be held at Tri-City's Joseph Bruno Stadium in Troy, N.Y. from May 24-27. The top four teams in the league will qualify to compete for the MAAC's automatic bid to the NCAA Tournament.

Jim Duffy

Head Coach • First Season • Seton Hall

4

Jim Duffy was named the 25th head coach in Manhattan baseball history on August 24, 2011. Duffy comes to Riverdale after seven seasons as an assistant coach at Seton Hall, where he helped the Pirates win the Big East championship and advance to the NCAA Tournament in 2011.

Duffy began his coaching career as an assistant at his alma mater in 2001. That season, Seton Hall won its first Big East championship since 1987. In 2003, he was promoted to full-time assistant coach. Duffy worked primarily with

the Pirates' hitters and outfielders while also assisting with recruiting, scouting and team travel. Nine of Duffy's players eventually moved on to professional baseball careers.

In addition, Duffy served as the head coach of the Monmouth Monarchs of the ABCCL collegiate summer league from 2004-2010, leading the team to a league championship in 2005.

A 1996 Seton Hall graduate, Duffy was a four-year starter at first base the Pirates. He is Seton Hall's all-time leader in putouts (1,387) while also ranking second

in hits (247) and at-bats (709) and fifth in runs scored (165). A three-time All-Big East selection, Duffy was named New Jersey College Player of the Year and earned All-America honors after finishing ninth in the nation with a .429 batting average in 1995. The following season, he had a school-record 29-game hitting streak.

In 1997, he signed a free agent contract with the Houston Astros. He was an outfielder in the Astros system for four years, advancing as high as Double-A before retiring in 2000.

Elvys Quezada

Assistant Coach • First Season • Seton Hall '10

Elvys Quezada is in his first season as the Manhattan pitching coach. A seven year veteran of professional baseball, Quezada adds championship experience to the staff. In addition, Quezada serves as the Athletic Department's Operations Manager.

Quezada was a two-time Major League draft pick, once by the New York Mets in 2002, and again by the New York Yankees in 2003. Each year, he was selected in the 15th round. The pitcher spent five years in the Yankees minor league organizations before spending parts of two seasons with the

Mets. He also competed in independent leagues in the United States and in the Dominican Winter League in the 2005-2006 seasons.

Prior to being drafted, Quezada was a stand-out pitcher at Seton Hall, where he was coached by Jaspers' first year head coach Jim Duffy. Quezada helped lead the Pirates to two NCAA Tournament berths in 2000 and 2001, including a BIG EAST Championship in 2001. Quezada was named a captain in both his junior and senior years.

His coaching background includes working

as an instructor with "B'S Baseball Academy" in Sanford, Conn., along with numerous youth clinics and starting camps such as his own EQUILIBRIUM Athletics in Florida.

Quezada earned a bachelor's degree in liberal studies from Seton Hall in 2010 before joining the professional baseball ranks.

Rene Ruiz

Assistant Coach • Second Season • Manhattan '07

Former Jasper standout Rene Ruiz '07 enters his second season as an assistant coach on the Manhattan College baseball staff. Ruiz was an All-MAAC shortstop during his career in Riverdale and helped the Jaspers win the program's first MAAC title in 2006. The Miami native spent the two years playing professionally with the majority of his work in the Continental Baseball League before his return to Riverdale.

In his first season as an assistant coach, Ruiz helped raise the team fielding percentage from .955 to .969 en route to a 2011 MAAC Championship and NCAA Tournament berth. The Jaspers also finished the conference season with a league best 20-2 mark to earn the program's third MAAC Regular-Season Championship.

Ruiz served as the starting shortstop and helped the Manhattan baseball program advance

to the 2006 NCAA Regional Finals after defeating Nebraska and current New York Yankee pitcher Joba Chamberlain in the Tournament. As a senior, Ruiz was named to the 2007 All-MAAC Second Team after recording one of the highest fielding percentages (.965) among Division I shortstops.

The product of nationally ranked Miami Southridge Senior High School played a total 77 games professionally for the Big Bend Cowboys of the Continental Baseball League between the 2009 and 2010 seasons. Ruiz started 53 games, scored 42 runs, had 16 RBI and stole eight bases. He started 24 games for the Cowboys in 2010 and was named a mid-season All-Star after batting .396 with a .480 on-base percentage and 14 RBI.

Ruiz made a brief stop in the American Association spending 12 games with the Wichita Wingnuts, before finishing the 2010 campaign in the Can-Am League for the Sussex Skyhawks.

Doug O'Lear

Student Manager • Fourth Season

Doug O'Lear is in his fourth season as head student manager for the Manhattan baseball team. A native of Amityville, N.Y., O'Lear is working towards a bachelor's degree in Civil Engineering. O'Lear attended St. John the Baptist High School on Long Island and has served as an umpire for Amityville Little League since 2006. Outside of baseball, O'Lear enjoys to ski, snow mobile, boat, fish and scuba dive. He is the son of Michael and Cynthia O'Lear.

2011 SEASON REVIEW

The Manhattan College baseball team delivered another landmark year in 2011 as the Jaspers won their second MAAC Championship, reached the 30-win plateau for the sixth straight year and advanced to the NCAA Tournament for just the third time in school history. Manhattan finished out the memorable campaign at the Gainesville Regional of the NCAA Tournament hosted by the University of Florida where the Jaspers went head-to-head with the Gators, and then Jacksonville with both games televised nationally on ESPNU.

In 2011, Manhattan won 20 MAAC contests to finish with the highest conference win percentage in program history (.909). It tied for the second highest in the MAAC dating back to 1989 and was the highest since the league restructured to a single division in 2000. Most notably, Manhattan won its third MAAC Regular-Season Championship in the last four years.

During the 2011 regular-season, Manhattan held the longest active win streak in NCAA Division I winning 10 straight games from March 26 to April 10. The Jaspers were also nearly unbeatable at home recording an 11-1 ledger at Van Cortlandt Park. At one point, Manhattan won 11 straight home contests dating back to 2010, which was tied for the fifth longest active home winning streak in the country.

Manhattan earned a key victory over Notre Dame in March with the help of

senior **Chad Salem** who earned MAAC Player of the Week honors batting a perfect 5-for-5 against the Irish. Salem later became the program's career home run and RBI leader. The Jaspers also picked up their seventh win over a Big East opponent in the last four seasons later in the month when the Jaspers defeated Seton Hall 6-3 in South Orange, N.J. Sophomore **John Soldinger** was named MAAC Pitcher of the Week after recording the save against the Pirates, and would later be named the 2011 MAAC Pitcher of the Year.

Senior outfielder **Mark Onorati** became Manhattan's career hits leader on April 13 at Columbia to surpass former Jasper standout Kevin Nieto '10 for the top spot. Onorati also moved to the top of the Jaspers' career runs and career doubles list in 2011. Manhattan won its 11th straight home contest on May 3 with an 8-0 rout of cross-Bronx rival Fordham. Senior first baseman **Austin Sheffield** and senior outfielder **Mike McCann**, joined Onorati and Salem on the 12 member 200-hit list.

McCann, Onorati and Soldinger garnered First Team All-MAAC honors, while Salem, sophomores catcher **Ramon Ortega**, shortstop **Nick Camastro** and pitcher **Eric Luksis** were named to the Second Team. Head coach **Kevin Leighton** earned his 200th career win in six seasons was named MAAC Coach of the Year.

The Jaspers entered the MAAC Tournament as the No. 1 seed in what

would prove to be a wild playoff. In the opening contest against Canisius, Soldinger delivered a complete game effort on the mound, which allowed Manhattan to earn a 3-2 dramatic walk off win on a bases loaded walk in the bottom of the ninth inning.

Manhattan then moved on to face third-seeded Siena for the right to move on to the MAAC Championship Game. The Jaspers built a 5-2 lead after six innings before a five-run eighth put the Saints in front 7-5, setting up another unthinkable comeback. Onorati led off the bottom of the ninth inning with a double off the left field wall. He moved to third on a bunt and then Salem drew a walk. With two outs, Sheffield sent a grounder towards third. However, the throw was short and Sheffield collided with the Siena first baseman. The ball rolled into foul territory and Salem hustled all the way from first to tally the game-winning run.

The Jaspers advanced to the MAAC Championship Game, where they met Siena again. Jaspers' freshman second baseman **Yoandry Galan** drove in two runs in the 5-1 victory. Junior pitcher and MAAC Tournament MVP **Mike Giordano** was masterful on the mound in the title bout. He allowed just one unearned run and three hits while notching a career-high 13 strikeouts. Fittingly, Giordano's final pitch in the complete game victory was a called third strike, as Manhattan advanced to its first NCAA Tournament since 2006.

THIS IS...

THE MISSION OF MANHATTAN COLLEGE

Manhattan College, overlooking Van Cortlandt Park in Riverdale, is an independent Catholic institution of higher learning which embraces qualified men and women of all faiths, races and ethnic backgrounds. Established in 1853, the College is founded upon the Lasallian tradition of excellence in teaching, respect for individual dignity, and commitment to social justice inspired by the innovator of modern pedagogy, John Baptist de La Salle.

The mission of Manhattan College is to provide a contemporary, person-centered educational experience characterized by high academic standards, reflection on faith, values and ethics, and life-long career preparation. This is achieved in two ways: by offering students programs which integrate a broad liberal education with concentration in specific disciplines in the arts and sciences or with professional preparation in business, education and engineering; and by nurturing a caring, pluralistic campus community. The learning experience at Manhattan College is enriched by cooperative programs with other institutions, by postgraduate professional programs and by capitalizing on its location on the edge of the cultural center and global marketplace that is New York City.

HISTORICAL NOTE

In May 1853, five Christian Brothers moved their small Canal Street school to what was then known as Manhattanville, a section of New York City at 131st Street and Broadway. The Brothers brought with them more than their furniture and their students. They were the bearers of a long educational tradition, going back to 17th century France and their founder, John Baptist De La Salle, designated by the Catholic Church as the Patron Saint of Teachers. He formed a community of religious Brothers who, unlike priests, would devote themselves as teachers to work for the wellbeing of the children of the artisans and the underprivileged. In the process he created a new type of school system that would transform teaching school into a profession and a vocation. The Brothers were urged to go beyond rote memory to "touch the hearts" of the students. Practical subjects were taught that would lead to a useful role in society; religion was taught to impart a commitment to Christian ethics.

Between 1853 and 1863, the school changed rapidly, adding college-level courses in 1859 and first using the name Manhattan College in 1861. It was chartered by the Board of Regents on April 2, 1863 and the first catalog stated its goals — to afford young people the means of acquiring the highest grade of education attained in the best American universities or colleges. While classical languages were thoroughly studied, prominence was given to higher mathematics and natural sciences, thus combining the advantages of a first-class College and Polytechnic Institute. Manhattan College was an unusual institution. Its sponsoring Board of Trustees combined both secular independent members and representatives of the Brothers of the Christian Schools. It also combined excellence in the traditional liberal arts and sciences and excellence in professional and technical education in a single collegiate institution. As the school grew, new quarters were needed.

MANHATTAN COLLEGE

The cornerstone of the "New Manhattan" was laid in 1922 on property bordered by the Hudson River and Van Cortlandt Park, its present location. The addition of new buildings and student residences has enlarged and enhanced the campus significantly. From this accessible site, the college is able to offer access to the cultural, educational, business and entertainment opportunities of New York City as well as a self-contained suburban campus environment.

Today Manhattan College identifies itself as a Catholic College in the Lasallian tradition. That tradition has continued to characterize the special educational experience offered by the College over its long history. Its constant focus has been the education of the disadvantaged. Manhattan has an enviable record in this regard, albeit engaged in the field of higher education. From its beginning, the College has paid particular attention to educating first-generation college students, and was an early proponent of access to disadvantaged and minority students, establishing special scholarship funds as early as 1938. That still holds true today for the impressive percentage of the student body that come from ethnic minorities. So many of our graduates who later on achieved great things in their careers remember that they might have had to leave school were it not for Manhattan's financial assistance. The College continues to realize the objectives stated in its first catalog by maintaining a full range of programs in the liberal arts and sciences joined with professional programs in engineering, business, science and education. The quality of the undergraduate programs has been demonstrated by its record as one of the nation's leading undergraduate sources of doctorates in the arts, sciences, engineering and education, and it is recognized by the establishment of chapters of such prestigious honor societies as Phi Beta Kappa, Sigma Xi, and Tau Beta Pi. Manhattan participates in the Consortium of Liberal Arts Colleges, an organization of the nation's leading research colleges, and in the New York Cluster of seven colleges and universities supported by the Pew Charitable Trusts for undergraduate science education (Barnard, Colgate, Cornell, Hamilton, Manhattan, St. Lawrence and Union).

Over the years, an evolution has taken place in faculty representation. The predominantly Christian Brothers faculty has been replaced by predominantly lay teachers, and includes both men and women. The College became coeducational and accepted its first women undergraduate students in 1973. Prior to that date, Manhattan had established a Cooperative Program with the neighboring College of Mount Saint Vincent, which permitted cross-registration and the merging of academic departments. Currently, women number 46% of the full-time undergraduate student body.

With the opening of Horan Hall (formerly East Hill) in 1990, the College is able to maintain an even balance between residential and commuting students, and foresees an even greater percentage of residential students over the next years. Currently, the College has a student body of approximately 3,000: 2,600 undergraduates and 400 graduate students. The student-faculty ratio is thirteen to one.

IN NEW YORK CITY

A large, detailed black and white image of the Statue of Liberty, showing her face, crown, and the tablet she holds. The image is partially obscured by the large, stylized text of the title.

Often referred to as "the capital of the world", this is New York City, home to more than eight million people which includes people from more than 180 countries. Spread out over 309 square miles, the city is comprised of five boroughs; Manhattan, Staten Island, Queens, Brooklyn, and the Bronx.

The largest city in the United States is the center for world trade and finance and is an international hub for entertainment, advertising, publishing, fashion as well as education.

It is home to more Fortune 500 companies than any other place in the United States as well as Wall Street.

New York City welcomes a visit from anyone and always offers an exciting experience. You'll have easy access by subway, bus, or taxi to all of the city's resources, and you'll make use of this one-of-a-kind environment. People are attracted to the city for its culture, energy, and cosmopolitanism. It is a vibrant, fast-paced place to work, study and play.

One who is interested in sight seeing can stroll through more than 800 acres of Central Park, or take in a larger view of the city from atop the Empire State Building. Or ride the subway over and take in the neon display of lights in Times Square. Come winter time, you can stop over at Rockefeller Center for some ice skating and a visit to the enormous holiday tree. Maybe a visit to the United Nations, home to the international community, might be in order.

New York City is also an area where many television, movies and music projects are produced. Walk around and you might find bump into some of today's popular celebrities.

Grab the ferry over to Liberty Island where the Statue of Liberty still stands and where many immigrants were first welcomed to America from Europe during the late 19th and 20th century. Later on in the day you can catch a comedy act or a musical performance at the many clubs throughout the city. And don't forget to check out Broadway where there are 38 theatres and more than 150 off-Broadway theatres that offer an abundance of performances that you'll enjoy.

New York City is the place to be for any sports fan. There are the Magic and the New York Red Bulls to quench the thirst of a soccer fan. The Jets and Giants can satisfy any football fan's appetite. The New York Knicks and Rangers both play at Madison Square Garden. A trip to Queens will get you in to check out the Mets. Here in the Bronx you will quickly find the headquarters of the New York Yankees, a Major League Baseball team with the most World Series Championships in baseball.

Count on it, though – that touristy feeling will gradually drop away and you'll soon come to think of New York City as home turf. Your options are inexhaustible.

DR. BRENNAN O'DONNELL

PRESIDENT

Dr. Brennan O'Donnell is the 19th president of Manhattan College, having assumed the responsibilities of the position July 1, 2009.

Dr. O'Donnell comes to Manhattan from Fordham College at Rose Hill, Fordham University's oldest and largest school. As dean of Fordham College, he was the chief academic officer of a College of Arts and Sciences enrolling about 3,200 students under a faculty of more than 200.

Before coming to New York, Dr. O'Donnell spent 17 years at Loyola College in Maryland (now Loyola University Maryland), where he served as a professor of English and, from 1999-2004, as director of the university-wide Honors Program. An active scholar, his teaching and research interests focus mainly upon poetry, especially of the British Romantic period, and on religion and literature, particularly contemporary American Catholic writers. He has authored two books on the poetry of William Wordsworth and co-edited *The Work of Andre Dubus*, a collection of essays published as a double issue of *Religion and the Arts*. In addition, Dr. O'Donnell has published articles, essays and reviews in some of the leading journals in his field. At Manhattan, he will continue to hold a faculty appointment, as he had at Fordham and Loyola, as professor of English.

As the first president of the College not to be a member of the Brothers of the Christian Schools, Dr. O'Donnell is treading new ground at Manhattan College. He has experience in such transitions, however, as he was also the first layperson to serve as dean of Fordham College at Rose Hill.

His publications and lectures demonstrate a keen engagement in issues of faith and education, specifically Catholic higher education. From 1994-2000, he served as editor of the national magazine *Conversations on Jesuit Higher Education*, and he was a member of the National Seminar on Jesuit Higher Education from 1993-2000. In addition, he has served as a board member for the Lilly Fellows Program and for Collegium, a consortium of Catholic universities that strives to strengthen faculty understanding of and participation in the mission of Catholic higher education.

A native of Pennsylvania's Wyoming Valley, Dr. O'Donnell earned his B.A. with highest distinction and Honors in English at The Pennsylvania State University in 1981, where he was inducted into Phi Beta Kappa. He earned an M.A. and a Ph.D. at the University of North Carolina at Chapel Hill in English and American Literature and Language. He is the recipient of numerous fellowships, grants, awards and honors.

Dr. O'Donnell is married to Angela O'Donnell (formerly Alaimo), a poet and writer who teaches at Fordham, where she serves as associate director of the Francis and Ann Curran Center for American Catholic Studies. The couple has three sons: Charles (a graduate of Saint John's University, Minnesota, and a teacher in the St. Paul, Minnesota, public schools), Patrick (a 2009 graduate of Columbia University, currently pursuing graduate studies in philosophy in Leuven, Belgium), and Will (a senior English major at Fordham).

ROBERT J. BYRNES '68

DIRECTOR OF ATHLETICS

A 1968 graduate of Manhattan College, Byrnes enters his 24th year as director of athletics.

Since his arrival back to Riverdale in May of 1988, Byrnes has presided over a renaissance period in Manhattan College athletics. During his tenure, the men's and women's basketball programs have earned eight NCAA Tournament bids (four women, four men). Additionally, the Jaspers have appeared in five postseason and preseason National Invitational Tournaments (NIT). Women's soccer and men's and women's lacrosse began competition at the Division I level under Byrnes, and 14 different teams have won conference championships—men's and women's cross country, men's and women's indoor track, men's and women's outdoor track, men's and women's basketball, men's and women's lacrosse, volleyball, men's tennis, softball and baseball. In addition, to date, 26 student-athletes have received All-America honors for both athletic and academic achievements.

Before returning to Manhattan, Byrnes spent 13 years with the Morrison-Knudsen Company, one of the largest engineering and construction firms in the nation.

A native of Garrison, New York, Byrnes earned his undergraduate degree in physical education with a minor in biology. He also holds an M.B.A. from City University in Seattle, Washington.

As an undergraduate, Byrnes was a member of the Jaspers' club football team. Byrnes served as team captain and played both defensive tackle and offensive

end. He spent one season as an assistant coach and helped guide Manhattan to a 6-2 overall record in 1969.

Upon graduation, Byrnes began a teaching and coaching career at Queen of Peace High School in North Arlington, New Jersey. He also served as the school's director of athletics from 1970-73. Under his leadership, Queen of Peace registered state tournament appearances in baseball and basketball, while also capturing the Parochial "B" State Championship in football (1972).

In addition to his responsibilities at Manhattan, Byrnes served two stints (1997-99, 2004-06) as president of the Metropolitan Intercollegiate Basketball Association, at one time the sponsoring body of the NIT. He also served on the NCAA Championship Committee in 1999-2000. He is currently the chair of the Metro Atlantic Athletic Conference (MAAC) Men's Basketball Committee and the Committee on Athletic Administration, as well as a member of the ECAC Officials Negotiating Committee. In recognition of his years of outstanding contributions to Jasper athletics, Byrnes was inducted into the Manhattan College Athletic Hall of Fame in 2004.

Byrnes resides in Croton-on-Hudson, New York, along with his wife, Rosemary. He is the father of five children: Bob, Carolyn (Manhattan '97), Brian (Manhattan '99), Darren and Brigid.

SPORTS MEDICINE

The John "Doc" Johnson Athletic Training Center

Named in appreciation for
Mr. Johnson's 56 years
of unselfish and caring service
to thousands of Manhattan College
student-athletes,
coaches and Christian Brothers

Dedicated September 27, 2003

Sports medicine is an integral part of every collegiate athletics program. Manhattan College employs three certified athletic trainers who work tirelessly to assist student-athletes. While Manhattan's athletic trainers are essential in the treatment of injuries, even greater value comes from their ability to prevent injuries and ensure that Jasper student-athletes are competing in a safe and healthy environment. In addition to preventing and treating injuries, athletic trainers provide injury rehabilitation, nutritional supervision, strength and conditioning, drug and alcohol education, and general personal health advisement.

Manhattan's sports medicine staff is aided by a wide range of equipment for the prevention of injuries and the rehabilitation and conditioning of student-athletes.

The sports medicine staff is supported by a network of highly qualified medical and counseling professionals practicing in the New York Metropolitan area.

The Manhattan College Sports Medicine Department features four taping stations, four treatment tables, three combo/ultrasound stim units, two stationary bikes, two whirlpools, one Jobst Extremity Pump, one upper cycle UBE, one hydrocollator unit, one ice machine, one weighted pulley station, one rebounder, one variable percussor, one cold channel laser, and various sized medicine balls.

& THE JOHN "DOC" JOHNSON ATHLETIC TRAINING CENTER

The John "Doc" Johnson Athletic Training Center was dedicated after the 2002-03 academic year to one of the most recognizable personalities in the history of the College, upon his retirement after over 56 years of dedicated service to Manhattan College.

A long-time trainer of the New York Giants of the National Football League in addition to his duties in Riverdale, Johnson was conferred with the Diploma of Benefactor by the Brothers of the Christian Schools in 1983 and was elected to the Manhattan College Hall of Fame in 1982. In 1990, "Doc" was given the Distinguished Service Award by the Manhattan College physical education department. In 1997, he was given a Lifetime Achievement Award by the Metro Atlantic Athletic Conference, and in 1998, the American College of Sports Medicine gave him a similar award. The National Invitational Tournament/Metropolitan Basketball Writers Association honored him in 2000 with its Distinguished Service Award.

DOUG STRALEY

Doug Straley was promoted to Assistant Athletic Director for Sports Medicine in August 2009, after serving as Manhattan's Director of Sports Medicine for the previous six years. Straley supervises the athletic training of the 300+ student-athletes who compete for Manhattan's 19 Division I athletic teams.

Prior to his arrival in Riverdale, Straley served as the director of sports medicine at Manhattanville College in nearby Purchase, NY. At Manhattanville, he coordinated the rehabilitation, prevention, and management of athletic injuries for over 250 intercollegiate NCAA Division III student-athletes.

Before his tenure at Manhattanville, Straley worked for three years as the assistant director of sports medicine at Assumption College. He assisted with the medical care of the athletic program's 19 Division II varsity sport teams.

Straley, a 1998 graduate of Northeastern University, worked as a student athletic trainer during his undergraduate years. In 1999, he received a master of science degree in athletic training from University of

Tennessee at Chattanooga.

Additionally, Straley served as the head athletic trainer for the Westchester Wildfire, a United States Basketball League (USBL) team coached by former New York Knick John Starks.

Straley had been published on numerous occasions, and has made several presentations based upon his research in the field of Athletic Training.

Straley holds Athletic Training licenses in New York, Massachusetts, and Georgia, and is a member of the National Athletic Trainers Association and the National Strength and Conditioning Association. He is certified as a Strength and Conditioning Specialist, as an Athletic Trainer, and in CPR and First Aid. A decorated Eagle Scout, Straley won the Koko Kassabian award while at Northeastern for outstanding achievement in leadership, scholarship, and professional development.

A native of Newton, Mass., Straley currently resides in Dobbs Ferry, NY with his wife Jennifer and their daughter Annabelle.

METRO ATLANTIC ATHLETIC CONFERENCE

With 10 institutions strongly bound by the sound principles of quality and integrity in academics and excellence in athletics, the Metro Atlantic Athletic Conference is in its 31st year of competition during the 2011-2012 academic year.

The MAAC was founded in 1980 by six charter members: the U.S. Military Academy, Fairfield University, Fordham University, Iona College, Manhattan College and Saint Peter's College. Competition followed one year later in the fall of 1981 with members competing in the sports of men's cross country and men's soccer. On January 2, 1982, Army traveled to Iona for the first MAAC men's basketball game and the MAAC story had begun.

Today, Conference members include: Canisius College, Fairfield University, Iona College, Loyola University Maryland, Manhattan College, Marist College, Niagara University, Rider University, Saint Peter's College, and Siena College. In addition, associate members include the University of Detroit Mercy, Jacksonville University and Virginia Military Institute in men's lacrosse. St. Francis (N.Y.) College, Villanova University, VMI and Wagner College are all associate members of the MAAC Women's Water Polo League. Drake University, Robert Morris University and Sacred Heart University compete in women's rowing, while the University at Albany, Boston University and the University of Hartford began competition in women's golf in the spring of 2010. The MAAC will support 24 sports and championships during the 2011-2012 academic year.

The MAAC Basketball Championships move to Springfield's MassMutual Center to host the 2012-2014 championships. By having an excellent working relationship with various facilities, the MAAC has been able to attract a number of NCAA Championship events. Most recently, the MAAC and Rider co-hosted the 2011 NCAA Division I Wrestling Championships at the Wells Fargo Center in Philadelphia. The MAAC, Canisius College and Niagara University successfully hosted the 2010 NCAA Division I Men's Basketball Championship First and Second Rounds at the HSBC Arena in Buffalo, New York. All three parties hosted the event in 2004 and 2007. The MAAC and Rider University co-hosted the 2009 NCAA Division I Women's Basketball Championship Regional at the Sovereign Bank Arena in Trenton, N.J., after recording the third highest attendance figure for the women's championship with the First and Second Rounds in 2006. The MAAC and Rider will work together to co-host the 2012 NCAA Rowing Championships at Mercer Lake in West Windsor, New Jersey.

MAAC ASSOCIATE SPORTS

In June of 1995, the MAAC continued to develop opportunities for student-athletes as the conference announced the formation of the MAAC Men's and Women's Lacrosse Leagues. The men's league began competition in the spring of 1996, while the women's league commenced in the spring of 1997. The men's league consists of four MAAC schools -- Canisius, Manhattan, Marist, and Siena -- and three associate members -- Detroit, Jacksonville and Virginia Military Institute. The women's league consists of MAAC institutions Canisius, Fairfield, Iona, Manhattan, Marist, Niagara and Siena.

In 2002, the MAAC added the MAAC Women's Water Polo League. The league is currently made up of three MAAC schools -- Iona, Marist and Siena -- as well as four associate members, St. Francis (N.Y.), Villanova, VMI and Wagner.

Sacred Heart started participating in MAAC Women's Rowing in the spring of 2008. Drake University joined the league for the 2010 MAAC Championship, while Robert Morris began competition in the spring of 2011.

In the summer of 2009, the MAAC added three associate members -- Albany, Boston University and Hartford -- to women's golf, with the programs starting competition against MAAC members Fairfield, Niagara and Siena in 2009-2010.

ACADEMICS AND ATHLETICS

The MAAC prides itself on the accomplishments of its student-athletes in the classroom, as well as on the field. Mary Beth Riley, a 1991 graduate of Canisius, was the first recipient of the NCAA Woman of the Year Award. In the fall of 1998, Erin Whalen, a member of the Iona women's rowing team, was awarded one of the nation's 32 Rhodes Scholarships for academic achievement and civic leadership. Jose Vargas, a Loyola student, was also awarded a Rhodes Scholarship in 1999.

First-class facilities are the rule with MAAC schools, as teams regularly play in top-notch arenas,

such as Madison Square Garden, the IZOD Center, HSBC Arena, Times Union Center, the Arena at Harbor Yard and the Sun National Bank Center. The other MAAC championships boast their share of outstanding locales as well, such as the Reverend Harold Ridley, S.J., Athletic Complex at Loyola, where the women's soccer championship will be contested in the fall of 2011, and Joe Bruno Stadium in Troy, New York, home of the 2012 MAAC Baseball Championship. This year, the MAAC will take its men's championship to Orlando, Florida, where it will conduct its post-season event at the ESPN Wide World of Sports Complex. The MAAC Men's and Women's Golf Championships will be held at Disney's Magnolia Golf Course.

In the past several years, a number of the MAAC schools have also enjoyed success in NCAA Championships. MAAC schools have made a total of 77 NIT appearances and 47 NCAA appearances. In addition, Iona and Rider participated in the CollegeInsider.com Postseason Tournament, with the Gaels advancing to the championship game. The Manhattan women participated in the Women's Basketball Invitational, reaching the semifinal round of the tournament. The MAAC currently possesses 13 automatic bids to NCAA Championships in men's and women's basketball, baseball, softball, men's and women's soccer, volleyball, men's golf, men's and women's tennis, men's and women's lacrosse, and women's water polo. In 2007, the Marist women's basketball team advanced to the Sweet 16 before falling to the eventual National Champion, the University of Tennessee. In the fall of 2009, the No. 11 Iona men's cross country team finished tied for eighth place at the NCAA Championship race, extended the Gaels' streak to eight straight Top 10 national finishes. Iona softball, Manhattan track, Manhattan baseball and Loyola lacrosse have also flourished on the national stage.

The MAAC has also been a leader in the forefront of technology, expanding the notoriety of the league into cyberspace. In 2007, the league reached an agreement with JumpTV, Inc., now NeuLion, Inc., to design the MAAC web page. MAACSports.com has been a great success, providing fans with up-to-date contest results, live and on-demand video and an online merchandise store. The MAAC, in conjunction with NeuLion, launched an iPhone app in February 2011. The league is looking to expand its offerings with Android and iPod apps, scheduled for release during the 2011-12 academic year.

The MAAC President for the 2011-2012 academic year is Rev. Jeffrey von Arx, S.J., the President of Fairfield University. The Vice-President is Dr. Eugene J. Cornacchia, Ph.D., the President of Saint Peter's College. Jim Paquette, Director of Athletics at Loyola University Maryland, will chair the Committee on Athletic Administration, and Theresa Berg, Associate Athletic Director/Senior Woman Administrator at Niagara University will serve as Vice Chair.

WHAT IS A JASPER?

The unique nickname of Manhattan College's athletic teams, the Jaspers, comes from one of the College's most memorable figures, Brother Jasper of Mary, F.S.C., who served at the College in the late 19th century.

One of the greatest achievements of Brother Jasper was that he brought the then little-known sport of baseball to Manhattan College and became the team's first coach. Since Brother was also the Prefect of Discipline, he supervised the student fans at Manhattan College baseball games while also directing the team itself.

During one particularly warm and humid day when Manhattan College was playing a semi-pro baseball team called the Metropolitans, Brother Jasper noticed the Manhattan students were becoming restless and edgy as Manhattan came to bat in the seventh inning of a close game. To relieve the tension, Brother Jasper called time-out and told the students to stand up and stretch for a few minutes until the game resumed.

Since the College annually played the New York Giants in the late 1880's and into the 1890's at the old Polo Grounds, the Manhattan College practice of the "seventh inning stretch" spread into the major leagues, where it has now become a time-honored custom practiced by millions of fans annually.
